Coupeville Library
- **May 6: 11am-1pm**
Camano Center
- **May 7: 11am-1pm**
The Center in Oak Harbor

Transit is essential to life on Whidbey and Camano Islands, connecting people to work, school, healthcare, groceries, and daily needs.

As our community grows and travel needs evolve, Island Transit is developing a plan to guide services and infrastructure over the next 20 years.

Your input will help shape priorities and ensure the future transit system reflects the needs of the people who rely on it.

Your Ride. Your Island. Your Voice.
